## A Report on ELTAI Kanyakumari Chapter Activities

ELTAI Kanyakumari Chapter was started on 10<sup>th</sup> April 2018 fulfilling a long cherished wish of mine. It was planned to start a chapter by having a convergence of teachers teaching English at school, college and university levels to meet frequently to have hale and hearty discussions on academic and specialized issues related to the profession. Moreover, activities can be carried out for the development of the teachers, apart from organizing a sorority, only if a common platform is created. ELTAI is found to be the right alliance making a career hub of activities related to teaching of English. It is indeed a matter of pride for everyone to have been associated with ELTAI, the largest network of English teachers in India which has been serving since 1974. The bimonthly journal, quarterly e-journals and the association with its counterparts in foreign countries make the Association a catalyst to bring all united. Kanyakumari Chapter has 64 members at present of which 20 are donors, 30 are short term members including 6 student members and 14 are annual members including 2 student members. The members are from different colleges and schools. The inaugural function of the chapter is to be conducted in a month or so along with a workshop on teaching English. The chapter is privileged to have Dr. P. Venugopalan, Principal (Rtd.), S. T. Hindu College, Nagercoil and former Professor of English at Noorul Islam Centre for Higher Education, Kumaracoil as Patron. The list of office bearers is enclosed.

Our Chapter has planned to organize bi-monthly meetings to discuss issues related to teaching and learning of English language and literature. The members are encouraged to speak on different pertinent issues related to

teaching and learning of English. They are inspired to go through PowerPoint presentations. Thus, the Chapter is committed to connect English teachers and language professionals in the District and to shoulder with them the responsibilities and tasks.

The Secretary of our chapter Dr. Abilasha and donor Ms. A. Delbio attended a two day workshop on the Use of Digital Tools for Learner Autonomy in Communication Skills conducted by Thoothukudi Chapter, Thoothukudi. It is decided to such a workshop for school teachers within the stipulated time.
